ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Housing Authority of Jefferson County has prepared this Agency Plan in compliance with Section 511 of the Quality Housing and Work Responsibility Act of 1998 and the ensuing HUD requirements.

We have adopted the following mission statement to guide the activities of the Jefferson County Housing Authority.

The Mission of the Jefferson County Housing Authority is to be the area's most affordable housing choice. We provide and maintain safe, quality housing in a cost-effective manner. By partnering with other providers we can offer rental assistance and other related services to our community in non-discriminatory manner.

We also have adopted the following goals and objectives for the next five years.

Goal One: Manage the Housing Authority of Jefferson existing public housing program in an efficient and effective manner thereby qualifying as at least a standard performer under Housing and Urban Development Standards.

Objectives: 1. HUD will continue to recognize the Housing Authority of Jefferson County as a

high performer by the FYE March 31, 2004.

2. The Housing Authority of Jefferson County will make the public housing units more marketable to the community as evidence by an increase in our waiting list that will require a thirty day wait for housing available by March 31, 2004.

3. The Housing Authority of Jefferson County shall promote a motivating work environment with a capable and efficient staff to operate as a customer-friendly and judicious leader in the affordable housing industry.

Goal Two: Provide a safe and secure environment in all the Jefferson County Housing Authority's public housing developments.

Objectives: 1. The Housing Authority of Jefferson County will continue to reduce crime in its developments so that the crime rate is less than the surrounding neighborhood by March 31, 2004.

2. The Housing Authority of Jefferson County will continue to refine the working agreement of understanding between the City of Mt. Vernon Police Department, the Jefferson County Sheriffs Department and this agency. The purpose of this is to better define the problems of crime that occurs near each development and continue to develop strategies for identifying and reducing this problem.

3. The Housing Authority of Jefferson County shall reduce its evictions due to violations of criminal laws by 20% by March 31, 2004, through aggressive applicant screening procedures.

Goal Three: Expand the range and quality of housing choices available to participants in the Jefferson County Housing Authority's Section Eight based assistance program.

Objectives: 1. The Housing Authority of Jefferson County shall establish a program to assist recipients program to become homeowners by March 31, 2004.

2. The Housing Authority of Jefferson County shall achieve and sustain a utilization rate of 90% by March 31, 2004, in its tenant - based program.

3. The Housing Authority of Jefferson County shall attract 25 new landlords who want to participate in the program by March 31, 2004.

Our Annual Plan is based on the premise that if we accomplish our goals and objectives we will be working towards the achievement of our mission.

The plans, statements, budget summary, policies, etc. set forth in the Annual Plan all lead towards the accomplishment of our goals and objectives. Taken as a whole, they outline a comprehensive approach towards our goals and objectives and are consistent with the Consolidated Plan. Here are just a few highlights of our Annual Plan:

- We have adopted three local preferences --applicants who are working families within our county--victims of domestic violence-- and seniors and disabilities automatically get this preference.
- We have adopted an aggressive screening policy for public housing to ensure the best of our ability that new admissions will be good neighbors. Resident Advisory Board assists in reviewing applications. In Section 8 as well as Public Housing we are screening applicants to the fullest extent allowable while not reducing the Section 8 Landlords responsibilities. Our screening practices will meet all fair housing requirements.
- Applicants will be selected from the waiting list by preference and in order of the date and time they applied.
- We have established a minimum rent of \$50.00 by PHA Resolution 96-6.
- We have established a flat rent for all developments, PHA Resolution 99-17.
-
- In summary we are on course to improve the conditions of affordable housing.

DECONCENTRATION POLICY

The Housing Authority of Jefferson County (HAJC) shall make every effort to deconcentrate families of certain income characteristics within the PHA developments. To achieve this, the HAJC may offer incentives for eligible families having higher income to occupy apartments in developments which are predominantly occupied by eligible families having a lower income, and provide for occupancy of eligible families having lower incomes in developments predominantly occupied by eligible families having higher incomes. Incentives by the HAJC may allow for the eligible family to have the sole discretion in determining whether to accept the incentive and an agency may not take any adverse action toward any eligible family for choosing not to accept these incentives. The skipping of a family on the waiting list to reach another family to implement this deconcentrating policy shall not be considered an adverse action. As such, the HAJC will continue to accept applications and place the individuals on the waiting list. Selection will be made based on a combination of the local preferences and income target mix. Any eligible family who qualifies as higher income family may accept a dwelling unit assignment and be placed randomly in to a vacant housing unit.

The HAJC will track income mix in all developments and endeavor to avoid a concentration of higher or lower income families in any one building or development.

12:30 P.M.

Marsha opened the meeting by welcoming everyone, passed out a draft copy of the HAJC's Five Year Plan and a questionnaire for input from residents. Marsha then briefly discussed the changes that have taken place at the Department of Housing & Urban Development (HUD) with regards to the Five Year Plan submission. The advisory group reviewed the Housing Authority's mission statement and the executive summary. The conversation then turned to the questionnaire. The floor was then opened to questions and comments. Residents addressed their concerns of increasing lighting and security in all elderly developments. Marsha explained that all security issues would be addressed in the Public Housing Drug Elimination application that will be submitted as part of the Five Year Plan. Other topics that were discussed included appearance of developments, resident services, resident involvement, and the market appeal of the units. After all questions and comments were addressed the meeting was adjourned.
